Star Player of the Week

How the weekly vote works, and how your bonus turns into real money — with the actual app screens.

How the week works

Four steps, every week

STEP 1

Sign in

Open the app and sign in with your Blacfox email and password.

The image shows a mobile app screen for signing in. At the top is the Blacfox logo, which consists of a stylized fox head above the word 'blacfox' and the tagline 'INTELLIGENT BETTING' in smaller text. Below the logo is the heading 'Sign in' in a bold, italicized font. Underneath is the instruction 'Enter your email and password to vote.' There are two input fields: 'Email' and 'Password'. The 'Password' field has an eye icon to toggle visibility. Below the fields is an orange 'Log in' button. At the bottom, there are three links: 'Forgot password?', 'New here? Create an account', and '< Back'.

STEP 2

Pick a teammate

Vote for whoever went above and beyond this week. Change your mind as many times as you like before voting closes. You can't vote for yourself.

NB	Naledi Botha	Vote
SN	Sipho Ndlovu	Vote
LK	Lerato Khumalo	Vote
TM	Thandiwe Mabaso	Vote
AZ	Ayanda Zulu	Vote
KD	Kagiso Dlamini	Vote

NB	Naledi Botha	✓ Voted
----	--------------	---------

STEP 3

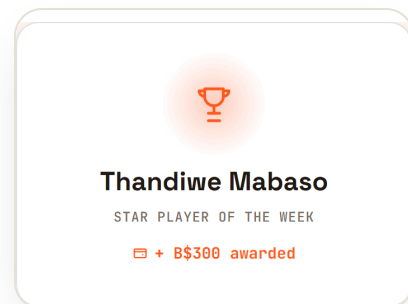

It stays private

Your row shows "Voted" so you know it's locked in. Nobody — not other members, not admins — can ever see who you picked.

STEP 4

The winner is revealed

An admin closes voting and reveals the result. Win on your own and your balance updates immediately. If it's a tie, more than one name shows up and each winner is paid shortly after.

Good to know

Four quick facts

Change your vote as many times as you want before voting closes

You can never vote for yourself

Your vote is private, always — no one can look it up

A tie means more than one person wins that week

Cashing out

Turning your balance into a payout

Your balance

B\$300

Amount to cash out

Cash Out

1 You ask — enter an amount up to your balance and tap Cash Out.

2 It's checked — an admin (or whoever handles finance) approves or turns it down.

3 You're paid — once approved, your balance goes down by that amount.

Questions

What if I forget to vote?

Nothing happens — there's no penalty. You can just vote next week.

I forgot my password. What do I do?

Click "Forgot password" on the sign-in screen, or ask an admin for help.

Does my balance expire?

No. It stays until you cash it out.

What happens if there's a tie?

Every tied name is shown as a winner. Each of them gets paid — it just may take an admin a little longer than a solo win, which pays out instantly.
